# **Seniors Outreach**

Evangelism should always be a priority of God's people. Who better to lead the way in evangelism than the senior members of the church – with this in mind I would like to begin a senior's outreach group.

I would like to start a Seniors Bible Class with the primary emphasis on inviting our peers to a class that will challenge the religious status quo of our community. The class will be based on Bible texts in which Jesus and the apostles confronted the religious thinking of their day. The goal of the class will be to show how those same Bible texts are also a challenge to the religious beliefs held by many today.

I have in mind that our first meeting will be just for us in order to get organized and determine how best to get other seniors to attend. Let me hear from you on this matter.

*Claude*

Visitors, you are our honored guests! Please fill out an attendance card and place in the collection plate.

## With Sympathy

*Linda Walker passed away this past Thursday. Linda will be greatly missed by her family and friends. The funeral service took place yesterday at Eaton's Funeral Home followed by a graveside service at Jericho church of Christ. Our deepest sympathies are extended to Bailey and the Walker family. May the love of those around you, and the love of God, help you through the days ahead and bring you comfort.*
