## **Additional Elders and Deacons**

The elders feel that it will be good for the congregation if we appoint additional elders and deacons.

Last Sunday we asked that each member provide us with a list of the men that they believe qualify for these positions. If you did not pick up one of the forms, please do so today.

Paul in his letter to Titus reminded him that he has left him in Crete that he might: "Set in order the things that are wanting, and ordain elders in every city."

Then he listed the qualifications for one to serve as an elder. (Titus 1:5-9) Paul in his letter to Timothy not only listed the qualifications for elders but also for deacons. (Titus 3:1-13) Please read these two passages to refresh your memory (printed inside for your convenience).

Additional men in leadership positions should be beneficial to all of us. We look forward to your input.

Visitors, we are happy to have you with us. Please fill out a visitor card and place in collection plate.

**Our Lord's Qualifications for Elders Titus 1:5-9** For this reason I left you in Crete, that you should set in order the things that are lacking, and appoint elders in every city as I commanded you— if a man is blameless, the husband of one wife, having faithful children not accused of dissipation or insubordination. For a bishop must be blameless, as a steward of God, not self-willed, not quick-tempered, not given to wine, not violent, not greedy for money, but hospitable, a lover of what is good, sober-minded, just, holy, self-controlled, holding fast the faithful word as he has been taught, that he may be able, by sound doctrine, both to exhort and convict those who contradict.

**Our Lord's Qualifications for Deacons Titus 3:1-13** Remind them to be subject to rulers and authorities, to obey, to be ready for every good work, to speak evil of no one, to be peaceable, gentle, showing all humility to all men. For we ourselves were also once foolish, disobedient, deceived, serving various lusts and pleasures, living in malice and envy, hateful and hating one another. But when the kindness and the love of God our Savior toward man appeared, not by works of righteousness which we have done, but according to His mercy He saved us, through the washing of regeneration and renewing of the Holy Spirit, whom He poured out on us abundantly through Jesus Christ our Savior, that having been justified by His grace we should become heirs according to the hope of eternal life. This is a faithful saying, and these things I want you to affirm constantly, that those who have believed in God should be careful to maintain good works. These things are good and profitable to men. But avoid foolish disputes, genealogies, contentions, and strivings about the law; for they are unprofitable and useless. Reject a divisive man after the first and second admonition, knowing that such a person is warped and sinning, being self-condemned. When I send Artemas to you, or Tychicus, be diligent to come to me at Nicopolis, for I have decided to spend the winter there. Send Zenas the lawyer and Apollos on their journey with haste, that they may lack nothing.
