House to House/Heart to Heart

Have you ever seen the publication called "House to House/Heart to Heart?" It is a paper to be used as an outreach to communities throughout the USA. It contains articles on important religious and moral truths. Also, there is in each edition a selection of pamphlets offered, as well as free Bible Correspondence Courses.

The elders have decided that as a part of our outreach program we will have this paper sent by direct mail to the residents of our community. It is published every other month and will begin in our community with the May/June edition. Also we will receive a bundle of the papers so that each of us can take one for ourselves and some to share with others.

Any request for pamphlets or Bible courses will be handled by us, so this means we will probably need some volunteers. Be sure to remember this good work in your prayers.
