Christian Intolerance

In our pluralistic society the one thing that cannot be tolerated is intolerance. People seem to miss the contradiction in their own idea of intolerance. Christianity has always been intolerant of certain things. Consider for example the following passages:

Neither is there salvation in any other;
for there is none other name under heav-
en given among men, whereby we must
be saved. (Acts 4:12)

This Paul hath persuaded and turned
away much people, saying that they be no
gods, which are made with hands. (Acts
19:26)

There is one body, and one Spirit, even as
ye are called with one hope of your call-
ing; one Lord, one faith, one baptism, one
God and Father of all, who is above all,
through all, and in you all. (Ephesians
4:4-6)

The first century society was one of moral and reli-
gious tolerance. The early Christians were out of
step with the society in which they lived. And so
are we.
