Cemetery Project

The monies donated for the joint North Main and ... congregations' cemetery project will go toward clearing trees, stump removal, soil erosion prevention, driveway, and surveying of burial sites. The site will be seeded by volunteers from both congregations. The first phase of the project will be completed by the fall of 2014. Our congregation is responsible for one-third of the expense, which is \$12,000. Today has been chosen as an opportunity to give a special contribution to the cemetery fund. If you have questions, please see one of the elders.

Then the dust will return to the earth as it was, and the spirit will return to God who gave it. Eccl 12:7
