March 16, 2014

*I know my crossing must be near
 I'm going home I have no fear
 I'll see my Savior face to face
 I've fought the fought I've won the race
 My precious daughter waits for me
 I can hardly wait her face to see
 No more tears will dim my eye
 We'll never ever say good bye
 We'll walk together on streets of gold
 No more heartache we are told
 My Savior shed his blood for me
 Sealed my pardon at Calvary
 I'm one step closer every day
 I know my Savior leads the way
 I trust in Him and take my rest
 I long to see Him face to face
 For on the cross He took my place
 Thank You Lord for saving me
 Your precious blood has set me free.*
