Prayers for Ukraine

Join us in prayer for Ukraine, Russia, the European nations and the U.S. The message of Christ continues to set us free and people are seeking Him amidst the geopolitical crisis that is currently going on in Ukraine.

We have heard that prayers are being answered and many are seeking Christ. A local minister in Ukraine sent us this photo of a baptism taking place, while tanks and armed soldiers occupied the streets and buildings surrounding their church and small arms fire and explosions could be heard just a few hundred yards away. Their faith is being played out on a very real battlefield and we are humbled by their resolve.

Please continue to pray for these nations and that God's light will continue to shine in the dark places. For more information about EEM, please visit us at eem.org/about.
