THE LEAVEN OF THE KINGDOM

Jesus compared the kingdom of heaven to leaven in these words: "The kingdom of heaven is like unto leaven, which a woman took, and hid in three measures of meal, till the whole was leavened." (Matthew 13:33)

There are at least two ways in which the kingdom of heaven works as leaven. First, the kingdom of heaven acts as leaven in its influence on the world. The world in which we live is far different from what it would have been had the message of the kingdom not been proclaimed. Second, the kingdom of heaven acts as leaven in our individual lives. Just as the leaven in dough changes it, even so the message of the kingdom changes our lives.

Understanding this principle, there are two things we should be doing. First, we should take the message of the kingdom into our own hearts and live thereby letting it change us to be as God would have us to be. Second, we should be spreading the message of the kingdom wherever we can, thereby causing the kingdom to grow and increase in the earth.

WITH SYMPATHY

The family of **Terry Shelburne**, Ortie Boyd's first cousin, was involved in a fatal accident on June 27 when their vehicle was hit head-on by a tractor trailer rig. His wife, Laura, and children, Will and Claire, were killed. Terry and his son, 13 year old Abel, survived the crash, but sustained serious injuries. The funeral was held on July 7 at the Walnut St. Church of Christ in Dickson, Tennessee. May the love of God comfort, sustain, and strengthen Terry, Abel, the Boyd family, and all affected by the tragedy.
