The Perverted Gospel

The apostle Paul wrote these words to the church at Galatia, "I marvel that you are so soon removed from him that called you into the grace of Christ unto another gospel: which is not another; but there be some that trouble you, and would pervert the gospel of Christ." (Galatians 1:6-7)

What exactly is a perverted gospel? It is the gospel but with some man made changes. At Galatia they still believed in God. They still believed in Christ. In fact they believed much of the message of the gospel as preached by Paul. But they had added something else to it. They were incorporating some things from the law and making them a part of the gospel.

These additions to the gospel were totally unacceptable. Paul wrote of such changes and additions to the gospel with this severe condemnation: "But though we, or an angel from heaven, preach any other gospel unto you than that which we have preached unto you, let him be accursed. As we said before, so say I now again, If any man preach any other gospel unto you than that ye have received, let him be accursed." (Galatians 1:8-9)

Let us all be warned. Never attempt to make any changes in the gospel.

Claude

VISITING SHUT~INS

This year instead of caroling to our shut-ins, as we usually do, we are going to try something a little different. A list will be put up in the foyer with each shut in. We encourage members to sign up to visit between now and Christmas and take a small gift to the person(s) you would like to visit. It is up to you when you go. Please call the person before visiting to make sure they are up for it. Everyone is different and you might stay 10 minutes or you might stay 30 depending on how they feel. If you don't want to go alone, please feel free to coordinate with others and go together. It would also be great if you go see someone that you don't frequently visit, enabling you to get to know each other better. This time of year many people feel lonely and sad and we are hoping that this will help lift spirits and bring some joy. Teens we want you to participate too! If there is someone who has been overlooked, please add them to the list.
