National Sins

Paul in his letter to Titus whom he had left in the island of Crete, wrote, "One of themselves, even a prophet of their own, said, 'The Cretians are way liars, evil beast, slow bellies.'" (Titus 1:12) He then adds, "This witness is true." The problem was that the Christians there were falling into some of the same sins characteristic of the people around them.

Christian people always need to be careful that they do not fall into the sins of the nation in which they live. What are some of the great American sins?

1. Profanity is certainly one. The taking of God's name in vain as well as other forms of unacceptable speech is so common in America that we must all beware lest we fall into this bad habit.
2. Materialism is another. As a people Americans seemed obsessed with material things: houses, cars, clothes, etc. Money and the things money can buy dominate the lives of many. We must beware that we do not become caught up in the fixation with material prosperity.
3. Cares of this world is still another. Jesus said, "Take no thought for your life, what ye shall eat, or what ye shall drink; nor yet for your body, what ye shall put." (Matthew 6:25) Then He adds a few verses latter, "For after all these things do the Gentiles seek." (Matthew 6:32).

It would certainly be correct to say that after all these things do the American people seek. Let's be careful that we do not let the cares of this world run and ruin our lives.
