FEAR

Have you ever been terrified? I have: I've been hit head-on at highway speed, been attacked by feral dogs on the Navajo reservations, and once had to eat kale.

Fear is a normal part of our life, and is sometimes an annoying reminder that we are vulnerable. Fear can save your life, or cause you to push yourself to overcome. Fear can also help you get to heaven.

The Bible talks about the fear of the Lord all throughout. The concept of fearing God is mentioned over 578 times in scripture! Our fear of God – literal fear – comes from knowing that He is our judge and creator. It stems from a sense of awe at who He is and what He can do.

We're told to fear the Lord, but how do we do that in 2018? When you're about to do something that the back of your mind tells you is probably not a good idea, think about the power of God. Think about standing in judgment before Him and how He would view your decisions. Think about the fact that your very existence is due to Him – do you think He's not aware?

God is love by nature (1 John 4.7, 8), but God is also our righteous Judge (Romans 2.2). Let's keep that in mind this week while we're making our decisions.
