## WE SHOULD THINK LIKE DAVID

When David arrives, Goliath has been taunting the king and army of Israel for forty days. David wonders why no one has taken on his challenge and asks the men around him, "For who is this ... that he should taunt the armies of the living God" (1 Sam. 17:26). David then asks, "Is there not a cause?" (17:29). In other words, "Shouldn't someone do something?"

Because David recognized that something needed to be done, was willing to ask the question and had enough faith in God to stand up against the enemy, Israel realized a seemingly impossible victory that day. By the end of the chapter, Goliath is killed, and the Philistines are defeated. After forty days of fear, one young man's faithful obedience to God has changed everything.

David's simple question, "Is there not a cause?" should remind us to consider how faithful and powerful God is. When our enemy taunts us, there is a reason to lean on God. When we feel defeated, there is a reason to turn back to God. When we are discouraged and cannot even imagine a victory, there is still a reason to trust completely in God.

## WELCOME VISITORS

We are so glad you are here. If this is your first time with us, we would like to let you know what to expect. We worship according to the New Testament pattern. We sing without musical instruments (Eph. 5:19; Col. 3:16). We observe the Lord's Supper (Acts 20:7). This memorial is for those who have been baptized for the remission of sins (Acts 2:38, 42). An offering is collected from our members (I Cor. 16:1-2). As our guest, you are not expected to contribute. A Biblical message (Acts 20:7) will be preached and men will lead the congregation in prayer (I Tim. 2:8). We strive to worship God in spirit and in truth (John 4:24). We hope you will stay and visit for a while afterwards so that we can get to know you.
