LEGISLATING MORALITY

Have you ever heard it said that “You can’t legislate morality”? Sounds good, but if it is ever taken to its logical conclusion, it would mean that we could never have any laws against murder, rape, or incest. If you could not legislate morality, you could not have laws against slavery, child marriages, or sex trafficking.

I’ve heard some say that most legislation is either legislating morality or legislating immorality. I suppose in some ways, laws are just codifications of the moral codes people accept. Yet, what if people get things upside down? The Bible said it could happen. “Woe to those who call evil good and good evil.” (Isaiah 5:20).

Andy Robison (TVOT Vol 100)

WELCOME

Visitors, we are so glad you are here. If this is your first time with us, we would like to let you know what to expect. We seek to worship according to the New Testament pattern. As a result, you will notice that we sing without mechanical musical instruments (Eph. 5:19; Col. 3:16). You will also notice that weekly we observe the Lord's Supper (Acts 20:7). This memorial is for those who have been baptized for the remission of sins (Acts 2:38, 42), yet we do not have "closed communion". Everyone must examine himself (I Cor. 11: 27-29). There will also be an offering collected from our members (I Cor. 16:1-2). As our guest, you are not expected to make a donation. Feel perfectly comfortable passing the collection plate down the row. You will hear the preaching of a Biblical message (Acts 20:7) and men leading the congregation in prayer (I Tim. 2:8). We strive to worship God in spirit (proper attitude) and in truth (according to the word of God - John 4:24). We encourage you to observe carefully and stay a while after worship so that we can get to know you.
