GROWTH: GOD GIVES THE INCREASE

## Pay Attention!

It is sometimes difficult for me (and my son, who has inherited this weakness) to pay attention. We have all experienced becoming distracted or losing focus at times in our lives.

It is also difficult, at times, for us to stay focused on God's word and God's instructions. The Bible tells us, "...we must pay much closer attention to what we have heard, so that we do not drift away from it" (Hebrews 2:1). This verse emphasizes just how important it is to stay focused, spiritually speaking, and provides the critical reason.

We need to "pay much closer attention" to the word of God to remain faithful to it. How many times have we read an entire page of a book, driven our car to work or school, or even sat through a worship service and then ultimately realized that our mind was distracted and that we failed to remember much of anything? Because we lost focus and did not pay close attention, those events became routine and un-impactful.

If we fail to focus on and regularly practice the word of God, we put ourselves in great danger, not only of God's word becoming routine but of slowly becoming separated from it. God's word demands and deserves our "much closer attention."

*Matt Langfield*

## WELCOME VISITORS

We are so glad you are here. If this is your first time with us, we would like to let you know what to expect. We seek to worship according to the New Testament pattern. We sing without mechanical musical instruments (Eph. 5:19; Col. 3:16). We observe the Lord's Supper (Acts 20:7). This memorial is for those who have been baptized for the remission of sins (Acts 2:38, 42), yet we do not have "closed communion". Everyone must examine himself (I Cor. 11: 27-29). An offering is collected from our members (I Cor. 16:1-2). As our guest, you are not expected to make a donation. A Biblical message (Acts 20:7) will be preached and men will lead the congregation in prayer (I Tim. 2:8). We strive to worship God in spirit and in truth (according to the word of God - John 4:24). We encourage you to stay a while afterwards so that we can meet you.

## NEW SECRET SISTERS PROGRAM

Ladies, be sure to read over the enclosed sheet describing the new Secret Sisters Program. If you are interested in participating, fill out the back of the sheet and give it to Deborah Dull or Julie Langfield.

## PAINTING CLASSROOMS

The classrooms downstairs are ready to be painted. The supplies are available. If you would like to "adopt" a classroom, please add your name to the signup sheet on the back board. There is one room already painted and the Elders have asked that all the classrooms be painted the same. A paint sprayer would probably make it a much quicker process so if you have one please bring it. We would like to have them all done by January if possible. You may paint whenever it is convenient for you. Grab a friend and lend a hand.
