God Never Moved

The book of Ezra is all about repairing and restoring a relationship with God. After more than a generation of captivity, the Israelites finally returned to Jerusalem and returned to God.

In the first chapter, King Cyrus of Persia sends the Israelites back to the city of the temple so that they can once again worship God. In the second chapter, the people return to God's law to determine who is qualified for service as a priest. In chapter three, the priests build an altar and resume sacrifices to God according to the law of Moses. Finally, after nearly a century, God is worshipped by His people and in His temple once again.

While this restoration is wonderful, note that God never moved. His people sinned, fell away, and failed to worship Him, but God never moved, and the same is true for us today. When we sin or fall away from God, we are the ones who have moved. Likewise, when once faithful Christians stop attending worship or stop living a Christian life, they may have a host of reasons or excuses, but God has never moved.

Whether we become spiritually distant from God or commit to growing closer to Him every day, we need to be willing to make whatever changes are necessary because God has never moved.

BACKPACKS FOR FOSTER CHILDREN

Remember our opportunity to participate in the backpack drive for the foster children in Davie county.

If you **sponsor a backpack fully**, be sure to purchase the backpack, purchase the items, and get bring to building by Dec 18.

If you decide to **bring individual items**, remember to designate your items on the signup sheet. Bring your items by Dec 18.

Everyone is encouraged to **provide cards and letters**. This will be the most important and impactful opportunity of all. Imagine opening up a new backpack and finding 20-30 cards or more filled with scripture, encouragement, and the love of the church from North Main members of every age!!!

Many people will reject Jesus because of bad experiences with religious people. But, here's the thing... Jesus had bad experiences with religious people, too. IN FACT THEY KILLED HIM! People will let you down, Jesus won't!
