VBS Success

June 30, 2024

Our VBS was a huge success again this year! We had an average daily attendance of 39, and the vast majority were not members of North Main or the Lord's church. We had 129 present on Wednesday evening for our closeout session; the room was full of first-time and returning visitors who stayed and enjoyed a perfectly prepared meal.

Children learned more about God and His word daily as our teachers taught well-prepared Bible classes. Our decorations were fun to explore while connecting and demonstrating the lessons about Paul's missionary journeys. Children "experienced" a little bit of Rome as they worked daily on lesson-focused crafts. Several new songs were learned and sung, while parents were amazed at how much could be taught in just three short days. Our time of recreation allowed teachers, staff, and students to get to know each other better while burning off some energy. At the end of each day, after a few songs and a prayer, we all gathered in the fellowship room for a snack while parents trickled in, greeted by the smiles of their happy children. Our VBS was a huge success, but none of it happened by accident.

Our VBS success required planning, preparation, and prayer. Curriculum, invitations, banners, decorations, and crafts were planned and ordered months in advance. Hundreds of hours of thought and energy went into painting, cutting, printing, decorating, and teaching for those three short days. We are thankful to everyone who participated and prayerful that this intentional and congregational effort will have a positive and eternal impact on our congregation, the families who attended, and our community.

Children's memory verse: **Genesis 1: 1-3**

In the beginning God created the heavens and the earth. The earth was formless and void, and darkness was over the surface of the deep, and the Spirit of God was moving over the surface of the waters. Then God said, "Let there be light"; and there was light.

Beginning in July, Cindy Brown will be preparing the bulletin again.

If you have any updates, please let Cindy know.
