December 30, 2020

North Main Street Church of Christ
605 North Main Street
Mocksville, NC 27028

Dear Members

We are thankful for the patience and understanding of the congregation as we made the difficult decision to suspend our in-person services during December. Your participation in our online worship, along with the supportive comments of many, has been encouraging.

Considering the current conditions, locally and especially of the North Main Street members, we are excited to announce that we will resume in-person services beginning Sunday, January 3rd. We will be meeting for Sunday morning and Sunday evening worship along with Wednesday evening Bible study at our regular meeting times.

All services will continue to be streamed live through our Facebook members' only group, and we encourage anyone who is apprehensive or not feeling well to join us through the online format.

We are looking forward to being together again on Sunday!

Sincerely

The Elders
