Happy New Year 2020

Good bye 2019 what a year it has been!

From St. Kitts to Cuba, In VA from Wytheville to Tazewell

36 Baptisms, 4 restored, so many bible studies we lost count!!!

From Medications to a purchased building for the church in Cuba.

We are so grateful for all the WONDERFUL support you give us.

Truly our blessings have been packed down and over flowing this year
along with some heartache.

We lost a nephew early this year to a 4 wheeler accident, at the end
of the year Gary spent Christmas in the hospital. The flu plagued us on
the last trip to Cuba, but we survived it all and drew strength from the
Lord. We knew many prayers were lifted up on our behalf.

Thank You All

**On the left....YOU DID THIS!
We bought it! What will become the location for the Church in Colon, Cuba. It's right in the middle of town and one block off the main Rd. It is what has been prayed for, there is a wall around it which is wonderful , it needs some work but that is OK the next goal there is a covered awning in the back yard. Please consider this work when you are planning your budget for 2020.**

Above are some of the members in Santa Gratrudis gathered for a Bible study (midweek and mid-day) and 2 in this group decided to put on the Lord in Baptism. We want to remind you that you helped this to happen... and the angels in heaven rejoiced

Always ready to answer Bible questions

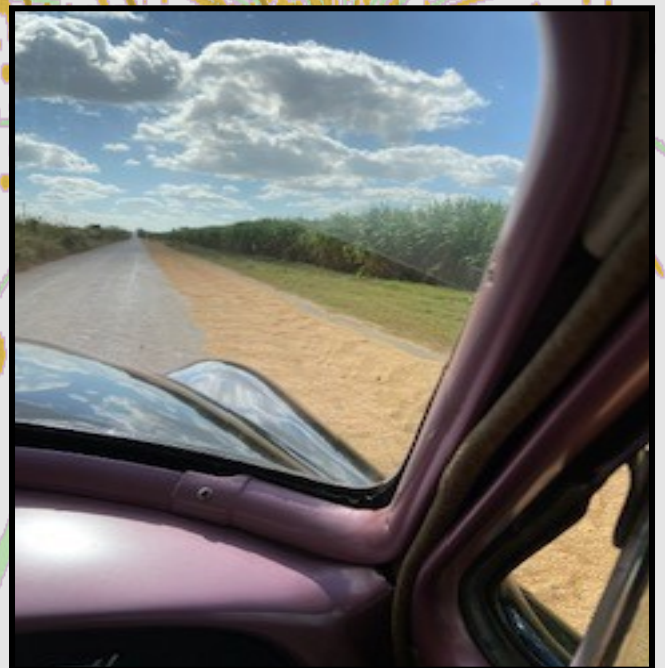

Just to give you an idea it took almost 2 hours to fill this with enough water to baptize someone. We had to borrow this facility from the Baptist Church and in so doing we had time to study and leave information with the local Baptist minister....

Sowing the seed is what we do and again we could not do this without your support.

3 new sisters in Christ

Right...on the road to one of our studies we passed them drying rice. It is spread on the road and workers rake it with wooden rakes. ...it's why you go through it and get the rocks out.

We go back to Cuba May 2nd ... Please pray for this effort. If you or your Congregation can assist us in going please contact the N. Main St. CoC at 605 N Main St, Mocksville NC 27028 or call us our # is on the front.

We have been asked to help in Tazewell VA. It's about 2.5 hr from home and they are about 12 members. Anytime you would like to go with us for a visit there let us know they would love to have you. We are also filling in once a month in Wytheville VA while they continue to look for a new preacher

We had so many to help (in so many different ways) and most wanted to remain anonymous so here goes.....

Some wanted their money to go to help the preacher there who makes 11.00 a month in retirement and takes no money from the church. Some gave money especially for medicine ... we took 60 lbs. Others gave for items like Baptism clothes (we bought black Scrubs from the hospital store). One couple gave us lip balm which is a luxury there, but sorely needed. We couldn't get into the country with all the \$\$ so we go back May 2nd with the rest.
