Cuba

Our GOAL for a Cuba Church

Building fund is \$20,000.00

Take a moment to pray for this work in Cuba. They are hungry for the word! We have actually never seen such hunger. We are still looking for support for both

the next Cuba trip and a home for the Church in Colon, Cuba. Why because there are about 60 Christians there who will soon have no where to worship. We would love to come and tell you about the family of Christ there. **90 miles off the coast of Florida.** What we found, how we went about it, how you can help. A BIG income there is 50.00 a month and that's a doctor. We know there are a lot of needy places in the world. There are a lot of our friends in the states doing mission works. But please consider letting us tell you about Cuba. A BIG thank you to those who have already helped with this work. Our next trip is in the works for October 2019.

Reporting

While reporting on this work we have had some good response. Both at Abilene in Statesville, North West in Greensboro and Hinton WV. Our calendar is filled up till the end of August on Sundays but we can still give a report on Wednesday nights.

Ladies day info

Deborah was asked to speak at a Ladies Day in Hinton WV. Their theme for the day was "Friends in Faith". She reports it was a beautiful day with a small number of ladies in attendance which allowed some time for personal discussions/questions. This is a friendly group and a beautiful spot in the country where 2 rivers come together. The ladies at Hinton are doing things to encourage the community to come to the building. They have a FREE clothes give away planned for the end of July. Just in time to get a few new things for school.

Some other ideas are Dementia workshop, Security/insurance info., Blood drive.

Carolina Bible Camp

I usually spend several weeks at camp as a teacher and this year is no different. If you have never visited the camp let me invite you to. It's a beautiful location and the facilities are outstanding. Others from N. Main would include Jered Markman director for week 3, Eddie Nuckols (one of our elders) works week 4 and his wife works week 5 as the kitchen director. We go several times through out the summer to hear the lessons that are presented each evening, at devo's. We have been blessed to be located within a few miles of the camp.

PTP

In just a few days. It's not too late to consider this for your family vacation! It's one of the BEST weeks of our year.

Stickey Note Evangelism

Just sharing an idea we heard about...Skip the actual door knocking and just place a sticky note on the door. You don't have to interrupt dinner or a ball game and you can have them preprinted at your local business supply store. Your teen group can really get behind this event
