May 20, 2021

A message from the elders concerning our worship services:

We are planning to resume our Sunday morning Bible classes for all ages on June 6, 2021 at 10:00 AM. Also, since the Governor has lifted some restrictions concerning the pandemic, we would like to restore some of the practices that have been suspended for over a year now on that date. We want this transition to go as smoothly as possible and at the same time, be sensitive to any needs or concerns of our members. Here are some practices we would like to restore:

1. Open all the pews for seating.
2. Use all of our communion trays.
3. Use 4 servers and pass the trays down each pew.
4. Use unwrapped unleavened bread in the trays.

Here are some practices we would like to continue:

1. Put the empty communion cups in the holders on the backs of the pews.
2. Live stream all of our services on our private Facebook page.

One practice we would like to discontinue is the Lord's Supper on Sunday evening if there is no one in the building who needs to observe it.

We plan to have wrapped unleavened bread available for anyone who would like to pick up a serving before services begin, and we also still have the packaged juice and unleavened bread together available at the front of the auditorium.

If you are not comfortable touching/passing the trays, please let one of us know before June 6, and we will make arrangements to be sure you do not have to.

If there are any other concerns, please let one of us know. We only want to do what is best for the congregation, and we do not want to make anyone feel uncomfortable in our assembly with regards to the pandemic.
